We look forward to hosting our school families for the Annual Thanksgiving Luncheon on
Thursday, November 19th.
This event is a time-honored tradition at CK and inclusive of our entire school community. To that end, we ask that all be welcomed to sit where they like and tables not be saved for others.

PRINCIPAL'S UPDATE

November 11, 2026

Dear Knights:

We are happy to announce CK's Educator of the Year (Lacey Smith), Support Staff Member of the Year (Amy Morrow), and Volunteer of the Year (Ashley Merritt). Below we share more information about why these special individuals were chosen. Congratulations!

CK's Educator of the Year - Mrs. Lacey Smith:
Mrs. Lacey Smith has been chosen as CK's Educator of the Year. Mrs. Smith has worked at CK for the past 10 years in a variety of capacities. Originally Mrs. Smith was hired as the school librarian, where she transformed the library into a reading paradise. Her lessons were filled with rich children's literature and under her guidance, CK students developed a love for reading. She also taught several electives, including Knights for Nature, wherein students took care of the school gardens, composted materials, and learned about caring for God's creation.

After several years in the library, Mrs. Smith moved into preschool. She is currently teaching four and five-year olds in the St. Anne preschool class. Mrs. Smith pursued higher education while working at CK, and graduated with a Master's in Early Childhood Education last May. She is constantly bettering herself, learning new strategies, and inspiring the young minds in her care. She is an empathetic and nurturing teacher, and deeply cares for her students and their families.

Mrs. Smith also serves as CK's Director of Admissions. In this role, she has transformed the admissions process at CK. She moved the waitlist from paper to digital. She was instrumental in forming admissions criteria for families to meet in order to be admitted to CK. Over the past few years, CK has had to turn away a full class of parishioner preschool families due to space constraints, and Lacey was one of the first individuals to sound the alarm about the school's inability to meet the needs of parish families. Since that time, CK has embarked on a Capital Campaign to build a new early childhood center, and the school expanded the preschool program this year to meet the parish need. Her diligent records, her ideas, and her ability to explain the

complexities of waitlists, admissions, and the preschool program make her an ideal Director of Admissions. The admissions role is not easy and requires some tough conversations, but Mrs. Smith always handles those difficult situations with grace and pastoral care.

There have been a few instances when CK has asked Mrs. Smith to step out of her comfort zone to meet a need. She replaced an elementary teacher for an entire quarter when the school found itself short-staffed. She has volunteered in countless roles here at CK both as a parent and a teacher. She is always willing to help out the school, and has a positive attitude even when things are hard.

Lacey and her husband, Billy, have three sons: Trey, Brody and Griffin. All three boys attended Christ the King Catholic School and went on to attend Bishop McGuinness Catholic High School. Lacey and Billy could/can be seen at many a sporting event cheering on the Irish. They are long time members of Christ the King Catholic Church, as is the entire Smith family (Billy's parents). The Smiths have striven to raise their children in the faith, and both of them serve as examples to others in how to follow Christ's light.

Over the years, Mrs. Smith has worn many hats. In each role, she has done an excellent job and continues to make Christ the King a better school.

CK's Support Staff Member of the Year - Mrs. Amy Morrow:
We are thrilled to honor Mrs. Amy Morrow as CK's Support Staff Member of the Year. Mrs. Morrow was hired as the school librarian in 2020 - a very difficult year for anyone to start teaching! The student body wore masks, had to be six feet apart, and specials teachers had to rotate amongst classes; they did not have their own classrooms. This was especially hard for a librarian, and Mrs. Morrow carted around a book cart for most of the year. She read to classes and introduced rich literature to students during a time when they could not access the library. 2020 was Mrs. Morrow's first year of teaching after a career in insurance, and there was a big learning curve for all teachers as all previous school procedures went out the window during COVID. Despite being thrown into the mix during a chaotic time, Mrs. Morrow handled each and every challenge with grace and calm.

After several years in the library, Mrs. Morrow requested to be moved into an aide role. As an aide, she could spend more time with her family and focus on supporting teachers and students. Mrs. Morrow has served as the aide in 5th-8th grade for several years. During that time, she has had to step in and teach several grades due to staff shortages. It is not easy nor desirable to assume someone else's role/job in the middle of the school year. Despite the hardship, Mrs. Morrow said yes and served the school in the capacity needed.

The teachers in grades 5-8 absolutely love Mrs. Morrow. She quietly gets things done: copies, grading, helping with labs and projects. She anticipates the needs of the teachers - a skill that cannot be taught. She has exceptional intuition in what needs to be done and where she needs to be. She does not require instructions - she simply appears when you need her most! She is one of the best, hardest working teacher aides we have at CK.

Amy and her husband, Steve, are parishioners of Christ the King Church. Both of their children, Jackson and Reagan, attended Christ the King School and Bishop McGuinness Catholic High School. The Morrow's support Catholic education through their daily actions, service to school and church, and values they embrace.

Amy is a "northerner" from Wisconsin and is known for her incredible work ethic. She has a no-nonsense way about her and gets any job in front of her done and done well. The fact that she wanted to move from a highly visible teaching position to a teacher aide, shows her humility and sense of self; recognizing that serving the school in a different capacity would fill her cup.

Mrs. Morrow is one of a kind and should be recognized for her dedication to Catholic education. In each task every day, Mrs. Morrow continues to make Christ the King a better school.

CK's Volunteer of the Year (and Finalist for Catholic School Volunteer of the Year):
Ashley Merritt has been chosen as CK's Volunteer of the Year and is a finalist for Catholic School Volunteer of the Year. Ashley has been an active volunteer for Christ the King since the very first day her oldest child (now in high school) started school. Ashley has served the PTO in a variety of roles including PTO President and various roles on the Executive Board. During her tenure as President, the PTO underwent many improvements including updating by-laws, reviewing financial practices, and cleaning out storage areas that had not been touched in years. Not all of these projects were very glamorous, but definitely necessary for the efficacy of the school. Mrs. Merritt has also coached volleyball and serves as the CK Volleyball coordinator for the school. In this role, she contacts coaches, ensures safe environment compliance, and oversees practice and game schedules. After having trouble finding someone to coordinate team uniforms, Mrs. Merritt stepped up and is now coordinating all CK team uniforms for all sports.

Mrs. Merritt also spearheaded an effort to modernize the CK gym. Called the Legacy Project as so many CK alumni had advocated for a gym remodel (especially a wooden gym floor) for years, Ashley and another CK parent (Haley Gremillion) established the project, fundraised, coordinated bids and contractors, and were onsite during the construction period. These volunteers handled all aspects of the Legacy project and the end result is a fresh new look for the school gym, including a brand new wooden floor. This was a dream for many years, and became a reality thanks to Mrs. Merritt's organization, dedication, and perseverance to see this project through.

The Merritt's are long time members of Christ the King Church and the entire family (extended family included) and are regular Mass goers, often sitting together and taking up several rows - it is a large family! Ashley and her husband, J. Robert, have four children who have attended/are attending Christ the King School: Reed, Taylor, Cameron, and Riley. The Merritt family is active in all aspects of the parish community and they regularly step up to help out the school and church. Ashley has driven on countless field trips, helped with 8th grade graduation, Open House, served as a lunch/recess monitor, Auction Chair, and has been a consistent and dedicated volunteer at CK for years. She is a familiar face around campus and can be counted on to help with just about anything.

Mrs. Merritt has shown true service to CK over the years. With every volunteer role she has assumed, she has worked to improve the school. She exhibits a pride in all things CK, and is a wonderful ambassador of our school.

Please join me in congratulating Mrs. Smith, Mrs. Morrow and Mrs. Merritt!

Sincerely,

Jenny Richard

PARENTING IN A DIGITAL AGE

NOVEMBER 16, 2026
AT 8:30 A.M.
ONLINE EVENT
BROOKE SHANNON
WAIT UNTIL 8TH

Are you struggling with how to navigate parenting in the digital arena? Are you wrestling with what the right age is for a smartphone and social media? No matter where you are on your parenting journey with technology, you don't want to miss our upcoming parenting talk with the Founder of Wait Until 8th, Brooke Shannon. She will talk about the importance of delaying smartphones and social media and will help parents already in the middle of smartphone battles with some strategic advice to rein in smartphone use.

Brooke works with parents and communities across the country to help families establish a healthy relationship with technology. She is a national speaker on how to parent in the digital arena and has given keynotes to the American Enterprise Institute, and numerus schools and churches. Brooke also is a resource to the media. She has appeared on the Today Show, Good Morning America, NBC national news, NPR, and CNN Headline News.

The Wait Until 8th pledge empowers parents to rally together to delay giving children a smartphone until at least the end of 8th grade and encourages parents to delay social media until 16. Learn more about the pledge at www.waituntil8th.org .

Our Call to Build the Kingdom

Every one of us has benefited from the generosity and sacrifice of those who came before us. Their faith and commitment helped build the school community we enjoy today.

Now, it is our turn.

Please help in making a difference in the lives of others. To learn more about the campaign and Early Childhood Project visit www.ckokc.org/capital-campaign

ONE FAITH FAMILY FUTURE

ONE FAITH FAMILY FUTURE

Thanks to all the donors who have generously pledged and/or donated to the capital campaign as of November 12. Funds will be used to help build the new Tom and Judy Love Early Childhood Center.

The plan is to begin construction in May/June of 2027. In order to meet that schedule, $7.5M must be pledged and $3.75M must be received. We currently have over $6.7M in pledges and have received over $2M. It will take many more donors to reach the goal.

Please prayerfully consider being part of this wonderful project.
