## DID YOU KNOW?

Shakespeare Festival is a big deal at CK! Starting in 3rd grade, students participate and get to dress up for the festivities! Typical attire for boys is baseball pants, belted blousy shirt, knee socks and a satchel of some sort to hold tickets. Long skirts and period dresses are popular for girls. Again, we encourage you to seek out hand-me-downs from parents of older children!

# PRINCIPAL'S UPDATE

April 10, 2026

Dear Knights:

Accreditation week is finally here! On Thursday and Friday (April 16-17), a committee from OCCSAA will be on campus observing everything from drop-off procedures to teachers/classrooms to a safety drill to dismissal. The committee will conduct meetings with all teachers, a parent panel, a student panel, Fr. Rex Arnold, and the administrative team. CK's self study, which we have diligently worked on all year, will be thoroughly reviewed as well as the evidence contained therein (over 390 pieces of evidence!). Our campus is ready, our students are primed, and our faculty and staff are prepared. We should find out at the end of the day on Friday if our accreditation status will be renewed.

This has been a monumental effort by the entire school. Although every staff member contributed to this effort, I would like to give a special thank you to the following faculty members for their help with their respective domains:

- Mission and Catholic Identity - Jonathan Gillis
- Governance and Leadership - Lacey Smith
- Academic Excellence - Leann Ufolla
- Operational Vitality - Amy Feighny
- Personnel/Student files - Sarah Piper
- Maintenance/Safety - Wallace Taylor
- Accreditation Officer (Oversaw entire process) - Kat Edelen

There are many other people who have helped the school throughout this journey including PTO President, Meredith Matthews and SAC President, Sarah Thomas. It has truly been a collaborative effort and we are grateful to all who aided in our preparations.

During the accreditation visit (and always), we appreciate your attention to detail in following protocols related to carpool. Safety is a big focus of the visit, and we want to make sure parents and caregivers are following all carpool rules. In addition, please make sure students are in proper uniform. Skirt length and excessive/large jewelry are some of the more noticeable violations that have been occurring as of late. We appreciate your help in making sure students look sharp.

Below is a prayer that the faculty and staff prayed during our preparations for this day. Perhaps you could find time throughout the day on Thursday & Friday to say this prayer for our school. May God bless this special school and community.

Sincerely,

Jenny Richard

Loving Father,

We come before You with grateful hearts,  
Thankful for the gift of Christ the King School.

From our youngest learners in Pre-K  
To our confident leaders in 8th grade,  
You have blessed us with a community  
Rooted in faith, knowledge, and love.

As we embark on this accreditation process,

We humbly ask for Your guidance.

Send forth Your Holy Spirit to lead us:

Fill our hearts with wisdom,  
Our minds with clarity,  
And our actions with grace.

Bless those who work diligently to prepare,

Those who review and discern,

And all who support this journey.

May our school reflect Your light,

Serving as a beacon of hope and truth

In our community and beyond.

Lord, strengthen our mission to nurture

The hearts and minds of each student,

And may Christ the King School continue

To grow as a place of faith, excellence, and love.

We place this process in Your hands,

Trusting in Your providence and peace.

Through Christ our King, we pray. Amen.

## **Notice of changes to FACTS (formerly RenWeb) logins**

FACTS (formerly RenWeb) has made changes to staff, parent and student logins so that you may be prompted to create a new username and password next time you log into anything FACTS or RenWeb related, such as the Family Portal, where CTK student grades and financial information is found.

What this means for you:

1. Your current login information should work the next time you log in, though after your next log in you may be directed to a page where you will be asked to make a new username and password for your FACTS account. For simplicity's sake, we recommend that usernames be changed to the email address already linked to your FACTS account. The FACTS system does not appear to be allowing most people to keep the same usernames as they have been due to security reasons with the multi-factor authentication feature they just added.
2. The password requirements have been changed and those requirements are shown on the page where you are asked to make a new username and password. A notable difference is that FACTS passwords must be at least 12 characters long.
3. For increased account security, FACTS recommends enabling multi-factor authentication (MFA), which you may be asked about the next time you log into a FACTS page for CTK. The simpler option is to select to use your email for this. You can delay adding MFA for now, but FACTS may eventually require it to be enabled. Choose your MFA option carefully, because it cannot be changed at a later time without deleting and re-creating your account, according to FACTS.

If you have any questions or need anything reset along the way, please call Joseph Holt during school hours at 405-242-4503. If he's not available, please call the school office. Thank you for understanding and sorry for the inconvenience!
