Dear Knights:

We hope you are enjoying these last few days of summer break! The school has been a hive of activity with teachers preparing classrooms, completing training, and readying themselves to meet their students.

CK Registration will open on Friday, August 7 at 8:00 a.m. and will close on Tuesday, August 11 at 8:00 p.m. The link for registration is www.ckpto.com, which will remain password protected until the go-live time at 8:00 a.m. on August 7th. This is where you will go to register your student for the school year, sign up for volunteer opportunities, and order various items (yearbooks, planners, preschool totes, etc.). You will also be directed to go to the CK website (<https://www.ckschool.com/forms>) to initial a few forms including After School Travel Arrangements, Handbook/Media Waiver, and Physical/Sports Education release. Registration is not complete until the forms are completed on the CK website AND the registration documents are finalized on the CK PTO site.

Although there was a reference made in a prior letter about paying for yearbooks through FACTS, yearbooks will be ordered and paid for through the Jostens link found on the registration site, which will allow for customization options. In addition, the school is no longer using the Membership app as the school directory is now available through the FACTS app. A huge thank you to Jessica Earley for all of her work on the registration site. She has spent countless hours on this project and has made it a smooth and easy process.

There has been a lot of work ongoing at CK this summer. The St. Emmelia classroom is looking sharp thanks to the hard work of Wallace Taylor and Mike Sharp in the Maintenance department. Lunch Bunch (after school care for part time students) will be housed in the second classroom of the Annex. The main gym bathrooms have been given a facelift thanks to the PTO Legacy Project. Thank you to Haley Gremillion and Ashley Merritt for seeing this important project through. New desktop computers have been installed in the computer lab, thanks to the PTO Wish List. A big thank you to Joseph Holt for handling all of the technology components for the

CK Annex and regular building. Thank you to PTO for welcoming new families, treating the staff to special treat bags, and planning a fun back-to-school bash on Tuesday!

Be sure to keep these important dates on your calendar. Junior high parents should definitely attend the back-to-school meeting as new technology policies will be discussed. We are looking forward to the year ahead and can't wait to see you on campus next week!

All the best,

Jenny Richard

CK SPORTS

To the CK Family,

The year was 2011 and my wife and I were moving back home after 5 years in Tulsa. After settling into a house in north OKC / Edmond, we started looking for a parish to join. There were many options, but we chose Christ the King. Sure, I was an altar server for years for Father Rick at St. Charles, and my aunt, uncle and cousins were parishioners, but ultimately the deciding factor was the community. We saw a vibrant community where we envisioned raising our future kids both in faith and academically. We are not generational Knights, born into this community – we chose Christ the King!

The glue of a healthy community is its culture, and a strong culture shares similar values and goals, even if these goals are on a field or court. Yes, I truly believe sports have the ability to unite a community. They can transcend ethnic, economic, and political backgrounds. They can bring together people with nothing in common other than the colors of their team. They can take “Go Pokes” and “Boomer Sooner” and unify those chants into a boisterous “Thunder Up!” And it does feel great if you get the chance to achieve the highest award in your sport. But that feeling of euphoria, if you are lucky to experience it, is fleeting. In fact, I have a bunch of old “tokens of achievement” sitting in a box in my attic, and I couldn’t tell you much about my athletic careers. I’ve yet to see 6-year-olds secure NIL deals, or scouts at The Sandlot or C.B. Cameron. So, although it does feel good to win, the real victory is the lasting impact sports can have on the individual and community.

I believe that team sports can provide so much developmental value in our children. They teach them how to win graciously and learn from a loss. They teach them discipline and hard work. They teach them strategic thinking and decision-making skills. They teach them how to bond and be part of a TEAM. And it is through this TEAM, that a community can rally – a community that extends beyond the walls of Christ the King. A community that is inclusive, supportive and will lift each other up. A community others will also choose to join. But it will take all of us. So as we take the courts or fields this year, remember the bonds of these children and the Christ the King family will last longer than that gold-painted plastic or size 5 cleats – and that is the real victory!

Go Knights!

ONE FAITH
FAMILY
FUTURE

Fr. Rex will officially kick-off this exciting initiative during the Masses on the weekend of August 22-23. This campaign will help continue our mission of Building the Kingdom by investing in the future of our parish through the construction of a new Early Childhood Center. This new space will provide a safe, welcoming, and Christ-centered environment, where our youngest disciples can learn, grow, and begin a lifelong journey of faith.

Mark your calendar and plan to be with us for this important weekend as we take the next step together in building God's Kingdom and investing in the next generation.

A formal Q/A session about the project and fundraising plans will be available after every Mass on the weekend of August 29th. An evening Q/A is scheduled for Thursday, September 10th at 5:30 in the church atrium.

NOVEMBER 7, 2026

Dear Christ the King School Families, Parishioners and Friends,

The curtain is rising on the most dazzling event of the year. We are thrilled to invite you to the **2026 Christ the King School Auction: Gatsby Knights**, taking place **Saturday, November 7, 2026**, at **Christ the King School Gymnasium**. Inspired by the glamour, elegance and sparkling spirit of the Roaring Twenties, this unforgettable evening promises art deco charm, lively celebration and a touch of Jazz Age music.

From the moment you arrive, you'll step into a world of golden lights and timeless sophistication. Guests will enjoy an evening filled with exquisite hors d'oeuvres, spirited cocktails, exciting auction packages, music, dancing and the kind of merriment that would make Jay Gatsby himself proud. It will be a night where friends gather, memories are made, and generosity shines brighter than the chandeliers overhead.

We warmly invite you to consider sponsoring a table at Gatsby Knights. More than simply a glamorous evening, the Christ the King School Auction is our school's largest and most impactful fundraiser of the year. Hosted by the Christ the King PTO, every sponsorship is a direct investment in the future of Christ the King Catholic School and the students who walk its halls each day. Proceeds from the auction support critical educational and operational needs that extend far beyond the school's annual operating budget. These contributions provide updated classroom resources, curriculum enhancements, teacher support, technology initiatives, campus improvements, security enhancements, and enriching opportunities in music, drama, and the fine arts.

PTO proceeds also help fulfill important items from the school's annual wish list and contribute to the **Christ the King School Endowment Fund**, ensuring long-term sustainability for generations of students to come. Your generosity helps write the next chapter of excellence at Christ the King.

Sponsorship opportunities are available at a variety of levels, each offering unique benefits and recognition opportunities. Detailed sponsorship information is enclosed. Sponsorships, tables and bidding access tickets may be purchased through the Handbid App or by check at the Parish Office c/o Amy Feighny. To receive company or family recognition in school and parish materials, please submit sponsorship forms and payment by **October 30, 2026**. Should you have any questions or need additional information, please feel free to contact **Christy Wilson and Leah Reel** at ckauction@ckschool.com.

We cannot wait to celebrate with you at Gatsby Knights – where the lights are golden, the music lively, and the future of Christ the King shines bright.

With appreciation,

Christy Wilson and Leah Reel

Christ the King Community,

This school year, Christ the King Catholic School will be launching a new Family Service Hours program, requiring each family to complete 8 volunteer hours. Many other Catholic schools across our Archdiocese already participate in similar programs with great success.

While more detailed information will be sent home soon, here is a quick overview of how the program works. Thankfully, all of the wonderful ways you already support our school will count toward your hours including field trips, lunch/recess duties, the school auction, the CK Run, our annual golf tournament, lunchtime Bible studies, and more.

Program Guidelines:

- **Timeline:** Volunteer hours must be completed between August 1st and May 26th.
- **Eligible Volunteers:** Hours can be completed by parents, grandparents, or guardians.
- **Exclusions:** Student service hours and any volunteer work for which financial compensation is received cannot be applied toward the family requirement.
- **Safe Environment:** All volunteers must meet Archdiocesan Safe Environment requirements before serving.
- **Logging Hours:** Families are responsible for logging their own volunteer hours in the FACTS Family Portal.
- **Unfulfilled Hours:** Any unfulfilled hours at the end of the school year will be billed at \$38 per hour.
- **Buyout Option:** A volunteer buyout option will be available during PTO registration at the start of the school year.

Thank you in advance for your partnership, your time, and your continued dedication to making Christ the King such a vibrant place for our students to grow!

Thank you,
Jonathan Gillis
Assistant Principal/Campus Ministry

Christ the King Catholic School is committed to upholding Catholic faith and tradition and, in partnership with families, helping students develop academically for a life of faith, integrity, and service.

Christ the King Catholic School Family Volunteer Hours Program Overview and Information

Our new Family Service Program invites parents to play an active, hands-on role in our faith community by contributing 8 hours of service per family each school year. This program beautifully extends our student-led Matthew 25 project by turning service into a shared family mission. In the Catholic tradition, service is not merely a charitable afterthought or a checklist requirement; it is a vital expression of our faith and an encounter with Christ Himself. By serving alongside one another, we live out the Gospel message, strengthen the bonds of our school community, and model for our children what it truly means to be the hands and feet of Jesus in the world.

Each family is required to volunteer 8 hours during the 2026-27 school year.

- **Timeline:** Volunteer hours must be completed between August 1st and May 26th.
- **Unfulfilled Hours:** Any unfulfilled hours will be charged at \$38 per hour at the end of the school year.
- **Eligible Volunteers:** Hours may be completed by parents, grandparents or guardians.
- **Exclusions:** Student service hours and any volunteer work for which compensation is received does not qualify.
- **Logging Hours:** Families are responsible for logging volunteer hours to the FACTS Family Portal.
- **Safe Environment:** All volunteers must meet Archdiocesan Safe Environment requirements.
- **Buyout Option:** A volunteer buyout option will be available during PTO registration at the beginning of the school year.

Volunteer Opportunities:

The screenshot shows a web application interface with a dark red sidebar on the left and a main content area on the right. The sidebar contains a menu with the following items: 'CK-OK' (with a hamburger icon), 'School' (with a school building icon), 'Family' (with a family icon), 'Family Home' (highlighted in red), and 'Financial' (with a bank icon).
