PRINCIPAL'S UPDATE

Dear Knights:

As a school community, we all want what's best for our children—socially, emotionally, and academically. With the rapid rise of smartphones in childhood, many families are asking tough questions about how early is too early, and how we can collectively protect childhood in a digital age.

That's why I want to share a resource called the **Wait Until 8th** pledge.

What Is the Wait Until 8th Pledge?

The Wait Until 8th pledge empowers parents to delay giving their children a smartphone until at least the end of 8th grade. It helps parents do this **together**—reducing the pressure and isolation many feel when trying to go against the norm alone. Over **115,000 families across the country** have already joined this growing movement.

You can learn more or take the pledge here: www.waituntil8th.org

Why This Matters

We now know far more about the effects of early smartphone use than we did a decade ago. Research shows that excessive smartphone use is linked to:

- Increased anxiety, depression, and loneliness
- Exposure to cyberbullying, explicit content, and online predators
- Reduced academic performance, focus, and sleep quality
- Signs of addiction, including phone dependency and emotional dysregulation

Many parents feel uneasy about giving their child a smartphone so early—but they also feel like they don't have a choice, because “everyone else is.” The Wait Until 8th pledge offers a way to hold off—together—and help create a healthier norm.

Key Points About the Pledge

- **The pledge is for smartphones only.** Families can stay connected using basic phones or limited-function smartwatches—without the risks and distractions of a smartphone.

- **It's easier to wait when you're not alone.** Many parents give in early because they think "everyone else has one." Wait Until 8th helps shift that norm by building community.
- **The pledge becomes active when 10+ families in the same grade sign on.** At that point, parents receive a list of others waiting too from their child's grade, with updates shared as more join.

Learn more

We're sharing this with our community as an opportunity for reflection and dialogue—not to dictate how families should parent, but to offer a powerful tool that many may find helpful. If you're interested in learning more, visiting www.waituntil8th.org is a great first step.

Thank you for all you do to support your child's growth and well-being. We're grateful to partner with you in creating a school culture that helps students thrive—in and out of the classroom.

If you are interested in championing this cause in your child's class, please email me to be added to a special committee (jrichard@ckschool.com).

Warmly,

Jenny Richard

Christ the King School is taking steps to protect childhood. You can make a difference. You can say yes to waiting on giving your child a smartphone.

By signing this pledge, you promise not to give your child a smartphone until at least the end of 8th grade as long as at least 10 families total from your child's grade and school pledge. If you would like your child to have a basic phone that just calls and texts, you still can sign the pledge! The basic phone avoids many of the distractions and dangers of the smartphone.

Once 10 families have pledged from your child's grade, you will be notified that the pledge is activated! Wait Until 8th will email you and the other parents who have signed from your child's grade to connect you with each other. You will receive a list of families delaying from your child's grade and parent emails to connect your group. This helps you to support one another. There is strength in numbers!

TIPS FOR SIGNING THE PLEDGE

Before you sign the pledge, here's what you need to know to ensure your form is completed accurately and your pledge is connected to others in your community:

Grade Eligibility

Your child **must be in kindergarten or above** to sign the pledge.

Please do not sign if your child is in preschool—we're unable to link preschool pledges with others locally.

School Info Matters

On the form, **enter the city and state of your child's current school** (not your home address).

Double-check how the **city is listed on your school's website**—the school search tool is based on the school's mailing address.

If the wrong city is entered, your child's school **will not show up** in the school search.

Can't Find Your School?

If your school doesn't appear, use the manual entry option on the form.
Be **as specific as possible**—no acronyms or abbreviations.

One and Done

Only one parent needs to sign—duplicate pledges are created if both do.
You **only sign once**. Each July 1st, our system automatically moves your child up to the next grade.

What Happens After You Sign?

You'll receive a **welcome email** with helpful tips on how to **spread the word** in your community.
You'll receive another email when your pledge becomes **active** (requires 10 families from the same grade and school).
If your child's grade already has an active pledge, you'll receive **Thursday email updates** if someone new joins the group.

Final Reminder:

 **Double-check the city and state of your child's school before submitting the form!**
This helps ensure your pledge is correctly linked with your community.

Take the pledge here: <https://www.waituntil8th.org/take-the-pledge>

WAIT  8th
until

Delay the Smartphone.

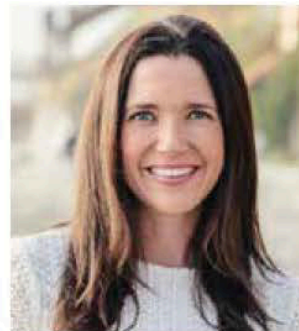

You can make a difference. You can say yes to waiting.

TAKE THE PLEDGE

By signing the pledge at waituntil8th.org, you promise not to give your child a smartphone until at least the end of 8th grade as long as at least 10 families total from your child's grade and school take the pledge.

Scan here to take
the pledge today!

Wait Until 8th started with a few parents in Texas and a simple idea. If they rallied together, they could reverse the power of peer pressure as smartphone ownership invaded their elementary schools.

Brooke Shannon led the charge to start a nationwide campaign asking parents to wait until their kids finished 8th grade to grant smartphone privileges, citing concerns over social and relational impairment, as well as addiction, distraction, depression, and exposure to mature content.

WAITUNTIL8TH.ORG

CK HALLOWEEN PARADE

On Friday, October 30th Christ the King School community will enjoy the annual Halloween parade. The parade will begin at 8:15 in the school gym and parents are welcome to attend. Students should come to school in costume. Please note the following guidelines for costumes:

- **No masks allowed or headpiece that would limit visibility;**
- **If a costume is strapless or has spaghetti straps, then a shirt must be worn under it or a wrap/shawl can be worn over it;**
- **No gory, goth, racial, ethnic, political, or cultural costumes;**
- **No cross dressing;**
- **No toy weapons such guns, knives, axes, light sabers, etc can be part of your costume**
- **While we are easing the restrictions on group costumes, we are requiring that ideas for group costumes must be presented to all members of the same gender in the grade. While students may opt out of the group costume ideas, they must be included in the option to join the group.**

We encourage students to change out of costumes after the parade. They will be able to wear a Spirit Day or Halloween-themed top for the rest of the day.

*Preschool students will have a separate parade just for them on Oct 29th.

2026 FALL PORTRAIT DAY / CHRIST THE KING SCHOOL

Capital Campaign

OUR CALL TO BUILD THE KINGDOM

Every one of us has benefited from the generosity and sacrifice of those who came before us. Their faith and commitment helped build the school community we enjoy today.

Now, it is our turn.

Please help in making a difference in the lives of others. To learn more about the campaign and Early Childhood Project visit www.ckokc.org/capital-campaign

ONE FAITH
FAMILY
FUTURE

Thanks to all the donors who have generously pledged and/or donated to the capital campaign as of October 14. Funds will be used to help build the new Tom and Judy Love Early Childhood Center.

The plan is to begin construction in May/June of 2027. In order to meet that schedule, \$7.5M must be pledged and \$3.75M must be received. We currently have over \$5.6M in pledges and have received over \$1,000,000. It will take many more donors to reach the goal.

Please prayerfully consider being part of this wonderful project.
