PRINCIPAL'S UPDATE

September 11, 2026

Dear Parents:

Students in grades K-8 will be testing over the next several weeks. Students in grades 3rd through 8th will be testing over the next three weeks using the MAPS program. Kindergarten through 2nd grade students will take the STAR/Renaissance test. Both tests help teachers measure student growth in reading and math, and identify areas of strength and weakness both for individual students, as well as classes as a whole. Students undergo formative testing twice a year - in September and January. All K-8 students will take the Terra Nova summative test in April.

In order to be ready for the tests, we ask that students eat a good breakfast and get plenty of sleep. Thank you for your help with preparing the students to do their best on these assessments.

The CK Run was a smashing success! Well done to Lauren Heinen, Lauren Dunlevy, and all of the run volunteers for their hard work in organizing this beloved community event. Thank you to the CK families who supported the run, which supports the school. All students who participated in the run will enjoy a free dress day on Tuesday, September 22nd. Be sure to wear your CK Run shirt!

Sincerely,

Jenny Richard, PhD

Helping you use sports to raise great humans.

Youth sports and life will naturally give our kids hard things to carry. In this *free* session, Healthy Sports Parents founder Jonathan Carone will help parents learn how our reactions can unintentionally add to that weight, and share practical ways to help kids handle failure, disappointment, and adversity. You'll leave with simple tools to help your child build the skills they'll need long after the games are over.

Dear Christ the King Community,

Athlete parents are strongly encouraged to sign up for a shift in the concession stand. This is a routine, required practice at other schools, a great way to meet people, and a valuable service to the school. Plus it is fun!

If you have a child playing CGSAA volleyball or basketball, we would love for your family to sign up for a shift. Sign-up links will be included in the weekly newsletters. We recommend picking a time right before or after your child's game so you won't miss any of the action.

Thank you for supporting our student athletes! Please remember to log your volunteer hours through the family portal on FACTS.

Click on the link below to sign up for all volleyball games hosted at Christ the King.
