Thank you to Jamie Shouse, Chair of the CK Prom Knight Auction, and Carrie Strickland, Assistant Chair, for making the event such a success. It was a fun evening supporting the school community. So much time and work go into an event like this, and we appreciate all that you both did to make sure the evening was special.

Thanks goes as well to the Auction Committee that helped make this event so terrific. It takes a team of dedicated individuals to help create a night of fun, fellowship, and fundraising. Thank you to all those who volunteered their time.

A special thanks goes to the sponsors who helped financially support this special night. An event as great as this could not have happened without your aid. Your generosity is extremely appreciated.

A big shout out to families who helped make the auction such a success by giving funds through in-person or online bidding and buying tickets to the event. We also want to thank everyone who donated items or services to help make the auction so great. This was definitely a community effort that showed we are all here to support Christ the King School.

MASKING PROTOCOL UPDATE

Beginning October 25th Christ the King School will return to minimal masking protocols that were in place at the start of the school year. This means that students will be able to remove their masks while in the classroom and working independently. All students will need to wear a mask when appropriate social distancing cannot occur (<3ft between individuals), and while traveling in the hallways. Quarantine protocols will stay in place when students are not masked. As always, we support the decision of any student or teacher who opts to continue wearing a mask throughout the school day.

Changes in masking protocols are taking place because COVID cases in the school have consistently been minimal to none since Labor Day. Cases in the metropolitan area have been declining as well. We will monitor cases and COVID issues that impact the school community so that we can continue to adjust COVID related protocols as needed.

As stated in the October newsletter, we are headed in the right direction. It is important that thoughtful and prudent decision making is followed so that a repeat of virtual instruction does not take place again. We appreciate your support of the students and faculty and we hope that reduction of protocols will continue to take place.

HALLOWEEN GUIDELINES

Halloween is right around the corner and Kindergarten- 8th grade students will participate in an outdoor parade on Friday, October 29th.

Due to space and the number of children who will be present, this parade will only be for students.

Students can come in costume for the day.

Costumes must follow the guidelines below:

- No masks or headpieces that would limit visibility are allowed.
- No suggestive (strapless) or excessive gory, goth, racial, ethnic, or cultural costumes. If a child is wearing a sleeveless costume, the straps must be the width of 3 fingers.
- No cross dressing
- No toy weapons such as guns, knives, axes, light sabers, etc. can be part of the costume.
- No group costumes

Please make sure your child's costume will be something that a child can wear and be comfortable in all day. If a child's costume causes distraction to the learning environment, parents will be notified and asked to bring a change of clothing for that child. This is going to be a fun day; please help by making sure the costumes follow the proper guidelines.

If students do not want to wear a costume, they can wear a CK shirt or a Halloween shirt.

Preschool students will receive information regarding Halloween plans from classroom teachers.

CK Recycles Halloween Candy Wrappers!!

Every Halloween, the vast majority of candy wrappers end up in the trash due to an inability by most curbside recycling programs to recycle them. By participating in Trick or Trash, you don't have to trash those candy wrappers and doom them to an eternity in a landfill—or, even worse, in our oceans. Using one of our custom candy wrapper recycling boxes, you can help keep our planet clean and contribute to a circular economy.

- Bring your candy wrappers and place them in the Trick or Trash box outside the school office. We will take wrappers until our box fills up!
- CK will take care of sending in wrappers for recycling.
- Photo contest for schools participating - Those that tag #TrickOrTrash will be entered into a photo contest and the winners will be gifted with additional mail-in recycling boxes that can be used year-round! TrickOrTrash@rubicon.com www.TrickOrTrash.com

CHRIST THE KING

GREEN TEAM

The Knights of the Earth have been busy! We sampled the summer harvest (beans, peppers and carrots) and celebrated the arrival of Monarch caterpillars & butterflies to our pollinator gardens! Did you know that Monarchs go right through OK as they migrate along a “Monarch highway” to Mexico? Students also made labels for our plants and flowers in the gardens. 3rd - 8th graders are welcome to join us for our upcoming meetings:

Monday, October 25/ 3:00-3:45 p.m.

Monday, November 29/ 3:00-3:45 p.m.
